victories beyond the plain on the plateau to the south and we crossed the river in August and lived in a house in Gorizia that had a fountain and many thick shady trees in a walled garden and a wistaria vine purple on the side of the house Now the fighting was in the next mountains beyond and was not a mile away The town was

### **The women's liberation movement in Scotland**

Indeed, eighteenth-century Scottish law recognised a man's right to beat his wife, given that upon marriage she was viewed as an extension of her husband's property<sup>21</sup> An added legal complication was the peculiarity in Scottish law of corroboration which required more evidence than one woman's word
