Who Were You Before the War? - Reenactor Pro

Soldiers in WWII were exactly the same as us in that regard What I would like to suggest is a method for developing a "sense of background" that is easy to apply, although it does require a bit of study -but not as much as you might think Uncle Ed in 1940 One of my inspirations for reenacting WWII Who Were You Before the War?

Introduction - U.S. Army Center Of Military History

Highly relevant today, World War II has much to teach us, not only about the profession of arms, but also about military prepared-ness, global strategy, and combined operations in the coalition war against fascism During the next several years, the US Army will participate in the nation's 50th anniversary commemoration of World War II
